COUNTRIES

IDENTIFYING OPPORTUNITIES IN INTERNATIONAL RISKS

With our affiliation to UNIBA PARTNERS, one of the largest owner-managed networks in the world, we can support your business activities beyond the Swiss border. Furthermore, the ARISCO Group can provide the bridge between Switzerland and the Lloyd's syndicates due to the Open Market Correspondent of Lloyd's (OMC status).

PERFECTLY INSURED AND
WELL ADVISED WORLDWIDE

GLOCAL for:

- Expertise from local specialists worldwide
- International programmes
- Occupational pension provision/advice on multinational pooling
- Solutions for expatriates
- International health and accident insurance

Advantages of having an insight into international risks

- Uniform risk management taking into account local, cultural and legal conditions
- Establishment of local insurance cover in accordance with legal and fiscal requirements with central control using master policies
- Central control of the claims and benefits situation

A STRONG PARTNERSHIP

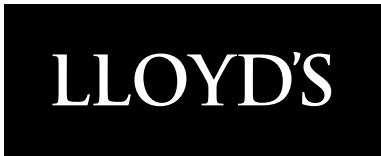

UNIBA Partners

For over 30 years, UNIBA Partners has been a leading global network of independent insurance brokers. Together, we offer our clients comprehensive services to manage their risks.

**ARISCO and UNIBA PARTNERS –
Stay well advised „glocally“**

Independent, owner-managed, competent and transparent – we are at your side in Switzerland and abroad and look forward to supporting you!

Lloyd's Syndicates

These are places for brokers and clients with special risks that cannot be placed locally to come together.

ARISCO

RISK CONSULTANTS

Are you interested now?

We would be pleased to support and advise you
in all matters related to insurance, pension provision and
risk management beyond the Swiss border.
